University of Chicago Laboratory School | Chicago, IL

May 2025

GPA: 3.80/4.00

PROFESSIONAL EXPERIENCE

Balyasny Asset Management | Chicago, IL

June 2025 – August 2025

Intern, Competitive Intelligence

- Extracted news data from 50+ competing Hedge Funds with the Bloomberg Terminal to backfill into the Salesforce platform
- Strategized on refining the Salesforce UI and quality assurance for increased efficiency in recruiting from competing firms
- Produced Jira tickets intended to assist Salesforce Developers with project management for all debugging and coding tasks

Ariel Investments | Chicago, IL

May 2025 – May 2025

Intern, Equity Research

- Cultivated a detailed 30-page document in three weeks, containing the financial information on a particular company's stock, presenting the stock pitch to the portfolio managers to consider allocating the firm's funds within
- Utilized limited financial programs/data available to calculate missing data for the stock report and analysis

University of Chicago Voltage Economics Program | Chicago, IL

June 2024 – July 2024

Intern, Data Research

- Collaborated with graduate students to organize data sets for Professor John List to utilize in research paper development
- Completed STATA courses and implemented lessons into research findings for final project presentation, utilizing research-driven practices and advanced statistical synthesis to culminate the findings with graduate-student teammates

LEADERSHIP & INVOLVEMENT

812 Consulting | Bloomington, IN

January 2026 – Present

Junior Analyst

- Selected as 1 of 16 members from 460+ applicants to participate in a 4-week intensive consulting training program; applied problem-solving frameworks, data-driven hypothesis testing, and advanced slide design to communicate business insights
- Oversaw mentorship events with K-11 students and the spotlight series, highlighting the job experiences of established underrepresented scientists in the Chicago area, to reinforce confidence and excitement in advanced science courses

U-High Midway (Student News Site of UChicago Lab School) | Chicago, IL

September 2023 – June 2025

Photojournalism Assistant Editor

- Mentored 25+ photojournalists across both the beginner and advanced classes, administering guidance and short class lessons
- Managed photojournalism coverage across specific journalists based on skill, readership, and performance in prior tasks
